

LONGMONT ECONOMIC DEVELOPMENT PARTNERSHIP

ANNUAL HIGHLIGHTS

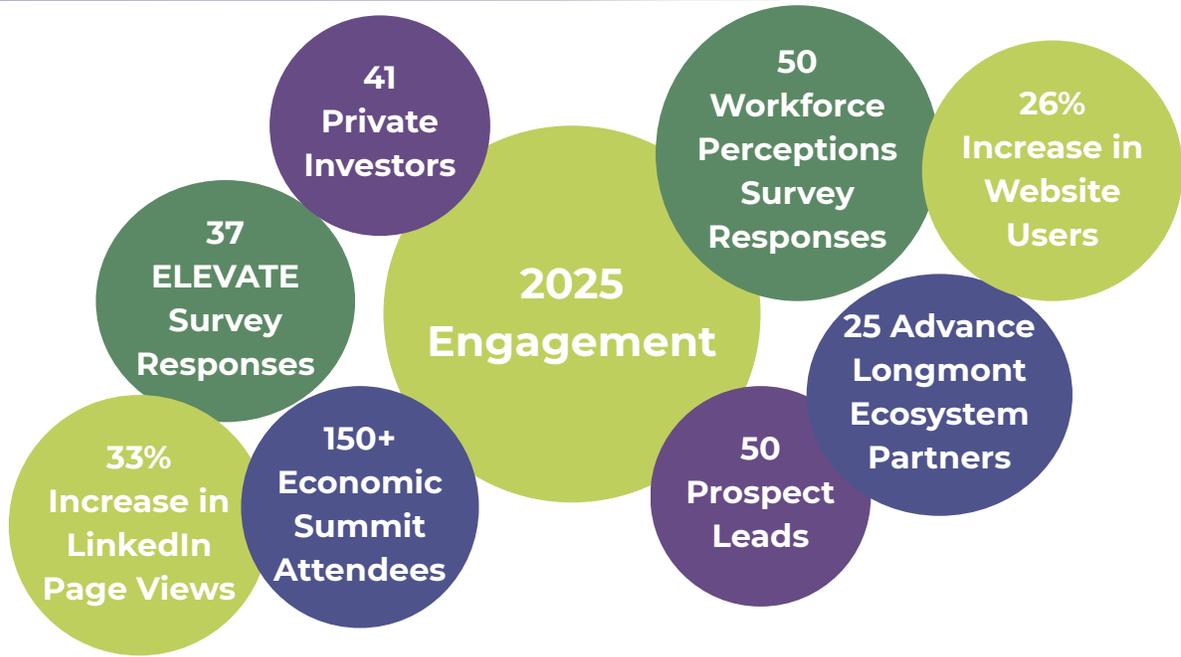

2025

The Longmont Economic Development Partnership's mission is to lead a comprehensive, collaborative economic development strategy to promote and strengthen our community's economic health. Continued support from investors fuels our work and helps contribute to the growth and success of Longmont's economy.

ACHIEVEMENTS

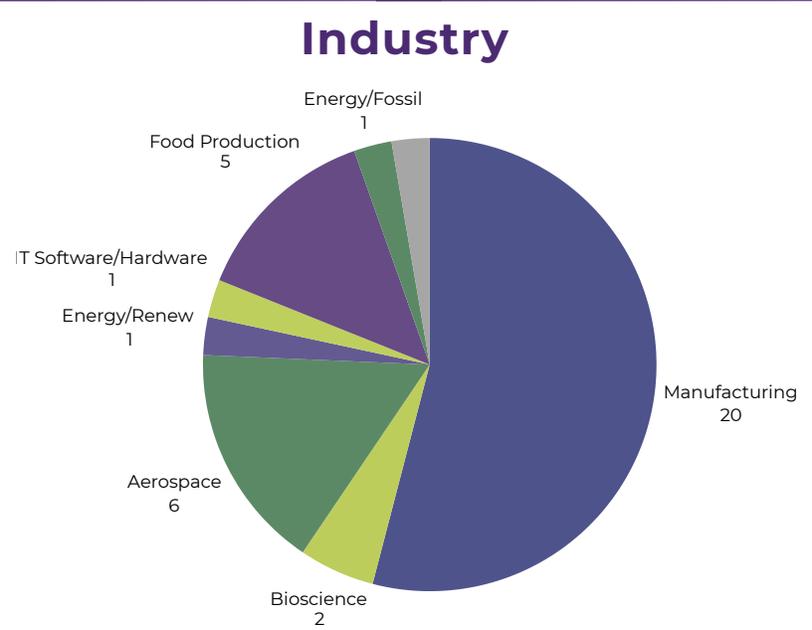

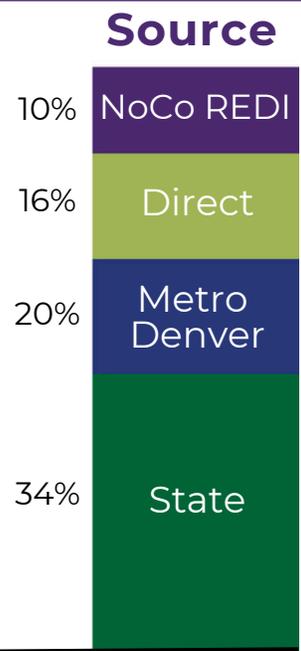

- ✓ Completed the Recertification of Longmont's Enterprise Zone for 10 years.
- ✓ Supported primary industry retention and attraction, including two projects that received incentives from the Colorado Economic Development Commission and the City of Longmont.
- ✓ Promoted Longmont nationally through a marketing campaign across Northern Colorado with special focus on attracting talent from Phoenix and Los Angeles.
- ✓ Completed the 2nd year with the Chamber of Commerce to support TrojanTECH, the SVVSD's newest P-TECH program.
- ✓ Secured \$25,000 in State funding to support marketing efforts through the CHIPS Community Support Program which will launch in 2026.
- ✓ Administered the North Metro Enterprise Zone, assisting over 270 businesses in getting over \$1.3M in tax credits.
- ✓ Convened the Commercial Brokers of Longmont, highlighting local real estate opportunities, and providing resources for over 50 members monthly.
- ✓ Supported Colorado's Front Range Transit efforts.
- ✓ Administered the Advance Longmont Ecosystem to facilitate "no wrong door" for business assistance and economic development.
- ✓ Funded the CU Leeds school Industry Cluster Report and Primary Industry Study of Longmont.
- ✓ Reviewed all internal operations and hired a new CEO and Business Development Manager.
